

Acknowledgements

The satisfaction that accompanies the successful completion of any project would be incomplete without mentioning the people who made it possible, whose constant guidance and encouragement have made this endeavor a success.

I wish to express my warm and sincere gratitude to the **Vice-Chancellor** of Christ University for his support throughout my studies. I profusely thank the **Pro-Vice Chancellor** for his guidance and motivation. I am thankful to **The Deans of Science** for their encouragement. I express my sincere regards to Prof **Joy Paulose**, HOD, Dept, of Computer Science, for his valuable support. I express my sincere gratitude to **Mr. Balachandran K.**, Coordinator, MPhil Computer Science, Christ University, for his high motivation and encouragement which helped me to make this thesis a successful one.

This thesis would never have become a reality without the guidance of my guide Prof **Joy Paulose**, HOD, Dept. of Computer Science, Christ University, Bangalore. I would like to thank him for the substantial contribution of guidance, encouragement and valuable suggestions during the course of the thesis work. I convey my regards to my guide for having constantly monitoring the development of the thesis and also providing necessary support and motivation throughout this research work.

I would like to particularly thank **Mrs. Saleema J.S.**, Lecturer, Dept. of Computer Science, for having found time for the discussions and critical inputs on data mining procedures. Her guidance was instrumental in every stage of the study.

I would like to extend my gratitude to my great motivators, my family members who supported me through the entire course of my research. I am thankful to each and every one who helped me for making this research work a success.
