ACKNOWLEDGEMENT

If words are considered as a symbol of approval and tokens of gratitude, then let the words play a vital role in expressing my gratitude. Your attitude decides your altitude with the Almighty. I thank Almighty God, the guiding light of my life for granting me the strength and courage to complete this research work.

I am most thankful to my research supervisor, Dr. Mohammed Misbahuddin, Principal Technical Officer, Centre for Development in Advanced Computing, Bengaluru. He has not only been my research supervisor but also a great mentor, who shaped my perception of research in substantial ways and helped me to interpret research as a way of life rather than work. His mission and vision of perfectionism and quality work have helped me enormously in coming out with this thesis. With immense pleasure and privilege, I express my sincere gratitude for his valuable guidance, motivation and also for letting me nurture as a researcher.

I would like to express my sincere thanks to Dr. Fr. Thomas C Mathew, Vice-Chancellor, CHRIST (Deemed to be University) and Dr. Fr. Abraham V M, Pro Vice-Chancellor, CHRIST (Deemed to be University) for providing me an opportunity to undertake the research work and for their support and inspiration all through my research work. I am thankful to Dr. Fr. Varghese, Finance Officer and Dr. Anil Pinto, Registrar, CHRIST (Deemed to be University) for their encouragement.

I express my sincere gratitude to Dr. Shivappa Gudennavar, Associate Director, Centre for Research, CHRIST (Deemed to be University), for his invaluable guidance, timely suggestions, support and motivation for making this thesis a successful one. I am extremely appreciative to Dr. Gudennavar for being so enthusiastic to his role as the Associate Director for research and his willingness to go through my research work.
I am grateful to Dr. Tony Sam George, Additional Director, Centre for Research, CHRIST (Deemed to be University), Bengaluru for his encouragement. I thank Dr. Sebastian K A, Associate Director, Centre for Research, CHRIST (Deemed to be University) for his support.

I express my deep gratitude to Dr. Srikanta Swamy, the former Additional Director, CHRIST (Deemed to be University), for his invaluable support and motivation during the initial period of my research work. I also thank Mr. James Kurian, Assistant Coordinator, Centre for Research, for his perpetual support.

I express my thankfulness to Prof. Joy Paulose, Head of the Computer Science Department and to other faculty members of Department of Computer Science CHRIST (Deemed to be University), for valuable suggestions and critical inputs. I would particularly like to thank Dr. Chandra J, Associate Professor, for her constant motivation. I thank Mr. Sreekumar Nair, Librarian, University Library, Knowledge Centre for his valuable support during the research work.

I express my sincere gratitude to Annual Progress Evaluation panel and Synopsis Evaluation Committee for their valuable suggestions and inputs.

I owe my gratitude to Dr. Fr. Jossy P George, Director, Christ Institute of Management, Pune, for his gentle inspiration and relentless support. I am extremely grateful to Dr. Suma S, Associate professor, Department of Life sciences, CHRIST (Deemed to be University) for the invaluable support and her constant willingness to help. My sincere gratitude to Dr. Sumitra Binu, Assistant professor, Department of Computer science, CHRIST (Deemed to be University) for the persistent support, motivation, enthusiasm and her patience to go through my research work.

I feel extremely grateful to my parents for showing me the light of the world by providing me the gift of education. I thank my father, Mr. Sukumaran C and mother, Mrs. Narayani Kutty P K, who has been a constant source of inspiration.
for me to carry out this research work with their love, care and prayers. I express the sincere gratitude to my grandmother Mrs. Seetha Kutty Amma for her prayers, blessings and motivation. I appreciate my sister Ms. Chithra C.S. for her relentless support and love. I thank my father-in-law, Mr. Narayanan Kutty P and mother-in-law, Mrs. Devyani for their love and blessings.

My heartfelt appreciation is to my beloved husband Mr. Nitin Nair, for his patience, persistence, friendship, affection and constant motivation. Words would fail and never be enough to express my gratitude for him, his constant inspiration helped me to complete this research successfully. I exclusively appreciate my son Master Aagney N for his love, care, and patience which helped to stay on the track despite various pressures.

I dedicate this thesis to my beloved parents, husband and son.
