

## LIST OF TABLES

Sl. No	Table. No	Title	Page. No
1	1.1	Top 7 Largest Diaspora in the World, 2015	2
2	1.2	The Indian Diaspora: Places with more than 100,000 members	4
3	1.3	Top 10 Remittance Receiving Countries in the Developing World in 2013	7
4	3.1	Communalities for Livelihood Scale	39
5	3.2	Reliability Statistics	40
6	3.3	Outcome from Pilot Study	42
7	4.1	Refugees in India by Country of Origin	46
8	4.2	Historical Events of Tibetan	48
9	4.3	Population of Tibetan Community in Various Regions of India	50
10	4.4	Tibetan in Exile	53
11	4.5	Educational Qualifications of Tibetan Refugees in Exile	55
12	4.6	List of Diseases Afflicted by Tibetan Refugees in Exile	59
13	4.7	Tibetans by Country of Residence	61
14	4.8	Detail Description of Study Areas	66
15	5.1	Total Annual Budget Allocated on Various Causes for Tibetan Refugees in Exile	70
16	5.2	Details of Yearly Allocated Budget on Various Causes	71
17	5.3	Department of Education Expenditure for the Period from 2010-2014	72
18	5.4	Year Wise Allocation of Budget and Expenditure for the Department of Health from 2010-15	73
19	5.5	Department of Health Total Expenditure for the Period from 2010-2014	75
20	5.6	Percentage Distribution of Respondent Head of the Household	79
21	5.7	Households related Characteristics	80
22	5.8	Percentage Distribution of Forward Migrant Profile Characteristics	82
23	5.9	Percentage Distribution of Forward Migrant Related Characteristics	85
24	5.10	Percentage Distribution of size of remittances in a Year	87
25	5.11	Percentage Distribution of Remittance Related Characteristics	88
26	5.12	Expenditure Pattern of Household with respect to Remittances	91
27	5.13	Status of Citizenship with respect to Remittances	92

28	5.14	Elements of Principal Component Method Concentrate as follows	94
29	5.15	KMO and Barlett's Test for Human Capital	95
30	5.16	Communalities for Human Capital	96
31	5.17	Total Variance Explained for Human Capital	97
32	5.18	Rotated Component Matrix for Human Capital	98
33	5.19	Interpretation of Output from the Factor Analysis	98
34	5.20	KMO and Barlett's Test for Financial Capital	101
35	5.21	Communalities for Financial Capital	101
36	5.22	Total Variance Explained for Financial Capital	102
37	5.23	Rotated Component Matrix for Financial Capital	103
38	5.24	Interpretation of output from the Factor Analysis	103
39	5.25	KMO and Barlett's Test	105
40	5.26	Communalities for Social Capital	105
41	5.27	Total Variance Explained for Social Capital	106
42	5.28	Rotated Component Matrix for Social Capital	107
43	5.29	Interpretation of Output from the Factor Analysis	107
44	5.30	Analysis of Variance for Remittance Impact on Human Capital	111
45	5.31	Model Summary for Remittance Impact on Human Capital	112
46	5.32	Coefficients of Regression for Remittance Impact on Human Capital	112
47	5.33	Analysis of Variance for Remittance Impact on Financial Capital	113
48	5.34	Model Summary for Remittance Impact on Financial Capital	113
49	5.35	Coefficients of Regression for Remittance Impact on Financial Capital	113
50	5.36	Analysis of Variance for Remittance Impact on Social Capital	114
51	5.37	Model Summary for Remittance Impact on Social Capital	114
52	5.38	Coefficients of Regression for Remittance impact on social Capital	114
53	5.39	Analysis of Variance for Confounding Effect on Human Capital	116
54	5.40	Model Summary for Confounding Effect on Human Capital	116
55	5.41	Coefficients of Regression for Confounding Effect on Human Capital	117
56	5.42	Analysis of Variance for Confounding Effect on Financial Capital	117
57	5.43	Model Summary for Confounding Effect on Financial Capital	117
58	5.44	Coefficients of Regression for Confounding Effect on Financial Capital	118

59	5.45	Analysis of Variance for Confounding Effect on Social Capital	119
60	5.46	Model Summary for Confounding Effect on Social Capital	119
61	5.47	Coefficients of Regression for Confounding Effect on Social Capital	120
62	5.48	Receipt of Remittance Across Regions	121
63	5.49	Chi Square Tests for Remittance and Access Region	121
