ACKNOWLEDGEMENTS

I want to take this opportunity to remember and thank all of those who gave me a helping hand in accomplishing this mission. I am ever thankful to our vice-chancellor Fr. Thomas. C. Mathew for his encouragement and support and also the pro vice-chancellor Fr. Abraham V. M. for his constant encouragement. Thanks are also due to the registrar Dr. Anil Joseph Pinto for his guidance and support.

Dr. Srikantasmamy was a pillar of support to me and support in the same magnitude is provided by the Additional director Dr. Tony Sam George and his entire team at Centre for Research, Christ University. Dr. Sam Thomas my guide is not only known for the institutions his is affiliated to but also as a methodology expert. To me he was providing all timely inputs displaying a lot of humility.

A special thanks to my head of the department Dr. Jain Mathew for his timely support and also to Dr. Elangovan for his constant advice. I am indebted to each and every member of the department of Management Studies in multiple capacities for their help. Thanks are due to Mr. Jayasimha of Sigma tabs for the statistical contributions and to all my respondents and facilitators who were a part of my data collection.

I am personally obliged to my wife Reena for her unmatched support and to Mathew and Martin to be so kind enough to give away their time.

I am presenting this work to the almighty with the utmost reverence and humility without whose grace this thesis would not have seen the light of the day.

Jogi Mathew
